

LOU MIRANDA ESTATE PRESS RELEASE

Australian wine show case has just released the results from their recent wine tasting in Adelaide.

With over 500 wines tasted from South Australia we are pleased to announce the results for the following wines.

Australian Wine Showcase is an Australian industry journal which publishes three editions in the USA, Asia & UK/Europe markets.

With it's debut issue set for release in August 2010 all the wines published have been tasted by a panel of judges and ranked in their price point categories. It will be distributed to an exclusive database of major liquor retailers, wine agents, restaurant owners, food and beverage managers throughout UK, Europe, Asia and the USA.
